Way to Work Program Overview

The Way to Work: Workforce Training Skills for Youth Program is a United Way Special Initiative funded by a Workforce Investment Act (WIA) Grant from the Three Rivers Planning & Development District, Inc. and The Mississippi Partnership Local Workforce Investment Area, known as "The Mississippi Partnership".

The Way to Work: Workforce Training Skills for Youth Program targets out-of-school youth who are high school dropouts as well as youth who have graduated but are basic-skills deficient, unemployed, or underemployed. The goal of the program is to lead youth to self-sufficiency through GED attainment; full-time, long-term employment; and/or post-secondary educational opportunities.
